

Cancellation, Place Reservation and Non-Refund Policy

Training with Olivier Bazin, D.O. — Barcelona

Enrolment in the training with Olivier Bazin, D.O. implies express acceptance of this cancellation, place reservation and non-refund policy.

1 Place reservation

Your place will only be confirmed once payment of the deposit or the full training fee has been received, according to the payment option chosen by the student.

The place reservation is **personal, firm and non-refundable**, as it guarantees access to a training with limited places and allows WA LAM to take on the organisational, teaching, logistical and administrative commitments associated with the course.

2 Non-refund of amounts paid

In the event of cancellation by the student, voluntary withdrawal, change of mind, inability to attend or failure to show up for the course, **no amount paid will be refunded**, whether as a deposit, partial payment or full payment of the training, except where legally required.

This policy shall also apply in cases of personal, professional, family, work or health reasons, travel, schedule changes, timetable conflicts, personal unforeseen events or any other circumstance beyond the organisation of the course.

3 Instalment payments

If an instalment payment option has been chosen, the student agrees to comply with the financial terms accepted at the time of enrolment.

Cancellation of or non-attendance at the course by the student shall not automatically entitle them to cancel the outstanding payments or to a refund of amounts already paid, except where legally required or by express written agreement from WA LAM.

4 Exceptional application of the amount to a future training with Olivier Bazin

WA LAM may consider, on an exceptional basis and without this constituting an obligation, the possibility of applying all or part of the amount paid to a future training given by Olivier Bazin and organised by WA LAM, provided that new dates and available places exist.

This possibility, if granted, will be valid only for future trainings by Olivier Bazin organised by WA LAM, initially planned for upcoming sessions, and may not be applied to other courses, therapies, services, workshops, retreats or trainings by WA LAM.

The granting of this option must always be in writing and will depend on the availability, financial terms and organisation of the new session.

5 Cancellation, postponement or modification by the organisation

WA LAM reserves the right to modify the dates, times, location, organisational format or logistical conditions of the course when there are justified reasons, teaching needs, force majeure or circumstances beyond the organisation.

In the event of a postponement of the training, the enrolment will automatically transfer to the new proposed date, keeping the student's place.

In the event of definitive cancellation by WA LAM with no alternative date, the appropriate solution will be applied in accordance with current legislation.

6 Included materials

When the training includes teaching materials, a book, documentation or any other resource included in the enrolment fee, such materials form part of the training content and cannot be exchanged for money or refunded separately.

7 Express acceptance

By enrolling and paying the deposit, partial payment or full payment, the student declares that they have read, understood and expressly accepted this cancellation, place reservation and non-refund policy.
